Raffle Items

Welcome to the Hanover Foundation for Educational Enrichment's  
Fourth Annual Holiday Cash Raffle and Night Out!

The Hanover Foundation for Educational Enrichment (HFEE) is an independent, non-profit organization founded in 1992. The foundation provides the Hanover School system with funding for enrichment activities and material, which are currently outside of the school system's budget. HFEE is funded through corporate support and individual donations, and is designated as a 501(c)(3) organization. Funding is distributed through grants proposed by teachers, staff and the administration. These grants are selected for educational purposes only. The Board of Directors meets quarterly and welcomes all.

---

As a community, we strive to enrich public school curriculum through the creative energy of our teachers and administrators.
